

Accessories – Document Displays

The document display options are a great way of communicating with staff.

The magnetic borders allow information to be displayed while the cabinet is locked – out of business hours or during lunches.

Clear document holders ensure important policies and notices are always clearly displayed and simple to change.

Flat document holders:

- Clear acrylic
- Thicker than those normally found in office supply stores
- A4 Portrait
- A4 Landscape
- A5 Portrait

Brochure holders:

- Injection moulded acrylic
- Screw onto interior doors or walls or tape to metal exterior.
- A4 Portrait (37mm deep)
- 1/3 A4 Portrait (37mm deep)

Magnets:

- Used for display on the powder-coated steel exterior
- A3 border (pairs)
- A4 border (pairs)
