

Activity Station™ Mobile Stand

The heavy-duty mobile stand extends the benefits of the wall-mounted Activity Stations by taking safety to the workforce.

Any Activity Station™ can now become mobile.

Activity Stations™ provide a range of tools to conduct safety activities and to raise safety awareness.

Create a custom Activity Station™ to organise a work area

Use the Activity Station™ Mobile Stand to:

- Take to an incident site during an investigation
- Conduct Toolbox talks and staff training in Departments rather than at a central location
- Maintenance shutdowns and Engineering projects - mount padlocks and lockout devices, issue permits, induct contractors – all from the area being maintained or modified
- Display shutdown plans or mount more equipment on the back
- Alert staff of incidents and injuries or promote your company's safety message
- Implement a 5S or other Lean Manufacturing project

Specification:

- White powder coated finish (other colours by arrangement)
- 25mm welded channel
- Four x 125mm wheels (two with brakes)
- Height 1830mm
- Width 1000mm
- Depth 670mm
- Available flat pack or assembled
