

# First Aid Activity Station™

Act today for a safer tomorrow!

Every workplace is legally responsible for providing adequate First Aid supplies, and emergency response procedures.

As the central First Aid facility or one of several departmental kits, this Activity Station™ enhances your emergency response plans.

Combining First Aid supplies with signage, emergency information, and storage for portable kits and PPE, this is ideal for small businesses and large corporations.

***The First Aid Activity Station™ ensures your emergency response plan is used and injuries are effectively treated.***

## Use the First Aid Activity Station to:

- Display emergency procedures and contacts
- Identify First Aiders with photos
- Store MSDS and safety procedures
- Mount a First Aid Kit and disposable glove dispenser
- Store portable injury kits (burn, eye, blood)
- Conduct first aid or view documentation on a worksurface
- Control your injury register

## Included with the First Aid Activity Station™:

- Wall-mounted Activity station with worksurface and storage
- First Aid Kit: ABS plastic case (State regulations or your First Aid assessment)
- First Aid sign (polypropylene sign)
- Acrylic disposable glove dispenser and box of large disposable gloves
- 2 x Acrylic A4 document displays (for emergency response plan and contact details)
- 2 x Acrylic A5 photo displays (for accredited First Aider and alternate)
