

Safety Activity Station™

Act today for a safer tomorrow!

Employers must protect the health and safety of employees and visitors by providing and maintaining a safe working environment.

To do this, employers eliminate or reduce risks using various controls. Creating safety systems, and effective compliance, requires active employee participation.

Workplaces with active safety programmes have less unsafe behaviours, and therefore less incidents and injuries.

The Safety Activity Station™ provides a range of tools to conduct safety activities and to raise safety awareness.

Use the Safety Activity Station™ to:

- ☑ Induct visitors and contractors
- ☑ Manage and investigate incidents
- ☑ Share safety meeting minutes
- ☑ Conduct Toolbox talks and safety training
- ☑ Display safety information
- ☑ Alert staff of incidents and injuries
- ☑ Store PPE and other safety equipment
- ☑ As a mailbox for Health & Safety Reps

Included with the Safety Activity Station™:

- Wall-mounted Activity Station™ with worksurface and storage
- 450x600mm whiteboard (5-year warranty) with pen ledge
- 2 x Acrylic A4 document displays (for emergency contact details or other procedures)
- Clip to hold work permits, maintenance requests or the latest incident report
- Acrylic container to hold "DO NOT OPERATE" tags and nylon ties
- Large VisiPak clear-front tilt bin (for PPE)
- "MSDS located here" sign
- "Recordable Injuries" whiteboard sign - or design a sign to suit your workplace

CUSTOMISE YOUR ACTIVITY STATION WITH A RANGE OF COMPONENTS TO SUIT YOUR WORKPLACE.

Specifications: 1050mm wide x 1490mm high; Worksurface: 940mm wide x 300mm deep
