

Managing workplace safety just got a whole lot easier !

 **Unlimited Spaces**

introduces the

Safety Space™ **OHS Workstation**

- Improve shopfloor safety
- Consult with employees
- Enhance communication
- Manage worksite injuries

*The Safety Space™ is creating safer workplaces™.
Make it your Safety Solution!*

Health & Safety Compliance

- Maintain all safety records in a single place
- Standardise safety processes across departments or multiple worksites
- Provide a “showcase” safety system to auditors

Consulting your employees

- Involve employees at their workplace – the Safety Space™ is the obvious location for tool-box talks, worksite inductions and safety training
- Display and discuss workplace changes – from risk assessments and procedures, to new machinery and chemicals (including MSDS)

Communication

- Display Emergency and Evacuation procedures
- Create a central mailbox for meeting minutes, safety notices, risk assessments and incident investigations
- Highlight First Aiders and Safety Representatives by displaying their photographs in the magnetic frames

Injury Prevention and Management

- Hygienic, well-lit First Aid facility - all equipment and supplies are ready to use inside the Safety Space™
- Disposable gloves and antiseptic hand cleaner protects both patient and First Aider
- Personal Protective Equipment (PPE) is easily accessible
